Girls Group Outings for Year Studied

Mothers of members of the Woodcraft Rangers Tribe, "Little Stars," held their first meeting of the year in the home of Tribe Leader, Mrs. Jean Mabee, 21740 S. Neptune, Tuesday, Jan. 24.

Meetings of this newly formed girls group have been held in Mrs. Mabee's home since September, 1960. This was the first meeting for the mothers with future plans allowing for many more.

Among events planned for the year was a roller skating party to take place in February. Suggestions were made that different mothers should plan outings and trips to interesting and educational places at least once a month.

Members of the Little Stars had as their project for Christmas, collecting personal articles for the elderly men patients at Rancho Los Amigos and making the trip over there to present their gifts.

The girls took their annual Snow Trip last Saturday with 15 girls attending.

Mothers present at this recent meeting were Mmes. Ainsley Dongall, Mary Eguchi, Marie Lawrence, Jean Mabee, Frances Padilla, Ruby Pilcher, Helen Wichlaz, Sunny Gonzalez, Bonnie Pierce, Euolah Lopez, Rosie Lopez, and Mary Hawkins.

Garrett Logs \$94,506,000 Sales Total

The Garrett Corp., in a preliminary report for the first six months, ended Dec. 31, 1960, of its fiscal year, announced sales of \$94,506,000 and a net profit of \$711,000, or 67 cents per share on the 1,064,971 shares outstanding at the beginning of the period. The quarter ended Dec. 31 showed per share earnings on this basis of 36 cents compared with 31 cents for the previous quarter. Earnings for the six months of 100,000 shares in July, followed by a 3 per cent stock dividend in December and the conversion of nearly \$10,000,000 of subordinated debentures into common stock, amounted to 50 cents per share.

J. C. Garrett, president, said: "Although the first half of our fiscal year started slowly, and is not as good as last year's comparable period, we feel that the second half will show a very definite improvement and that 1961 should end up as good or better than last year."
